

Identity

CAS Number	CAS 108054
Chemical Name	Vinyl acetate
Synonyms (Other Chemical names)	Acetic acid ethenyl ester

Available information on the chemical

Information has only been included in the database where it has been notified to OECD by Member Countries

Use Category	
Additional information about Use	
Production Volume	High (> 100 000 t)
Recognized Low Hazard	
Hazard Information	
Existing Reports	View (7 Reports)
ICCA Initiative	No
National/Regional Scheme	EU, US90
Exichem Entries	Exichem
Additional Information	SIDS Testing, EU 1st priority substance

SIDS Relevant Information

Sponsors	United States
	Germany
Sponsorship Date	October 1993
Being Investigated in a Category	
Current Phase of Investigation	Information Gathering
Current Status	SIDS Testing Plan Submitted & Reviewed
OECD Agreed Conclusions and Recommendations	
Final report available from	

Post-SIDS Information
